Accessories Guide

Kiwivac can service and repair ALL types of central vacuum systems

Do you need a quick and reliable service job done on your central vacuum system?

Kiwivac service and repair most makes, models and brands, offering a convenient, fast and reliable service. We replace motor brushes, faulty motors, inlets and VacPans, repair hose and hand pieces and clear blockages.

Our prices are competitive and we can respond to your service needs promptly and efficiently.

“ Your follow-up service in helping to find the right attachments for the different floor surfaces was spot on. The cleaning is now a breeze and we would have no hesitation in recommending you and your product. ”

We stock the largest range of tools and accessories in New Zealand.

1. Standard Hose

Made to any length you require (in 1m variations).

2. Hose and Tool Caddy

Strong wall-mounted caddy, designed to store your central vacuum hose and tools.

3. On/Off Switch Hose

360° swivel and the ease of an on/off switch at the hand piece.

4. Switch Hose Extension

3.6m extension for further reach when vacuuming.

21. Deluxe Dusting Brush

Luxurious horse hair brush designed for gentle dusting of your most treasured furniture.

22. Upholstery Brush

Designed for cleaning furniture and soft furnishings such as curtains.

23. 600mm Flexi Crevice Tool

Extra-long with a narrow end for hard to clean areas such as under the fridge.

24. Crevice Brush

Designed with long bristles to flex over objects such as photo frames and skirting boards.

5. Slinky Hose

Expands from 1.2m to 6m. 'Slings' back to its compact size for easy storage.

6. Wallyflex

For easy cleaning of those little messes in the laundry, kitchen or garage.

7. Hose Sock Wall Protector

Covers your hose to help prevent damage to woodwork and furniture.

8. Telescopic Wand

Fully adjustable length for a more comfortable vacuuming experience.

25. Lint Brush

Ideal for removing animal fur from furniture, curtains and clothes.

26. Curved Wand Piece and Hose Cuff

Replacement handle and wall cuff ends for standard hoses. Metal and rubber, very robust.

27. Pet Brush

Glides across the fur coat lifting out loose hair from your pets.

28. Central Vac Pipe Wipes

A quick and powerful way to keep your system clean.

9. Standard Wand

Ideal for use in tougher conditions such as in the garage or workshop.

10. Plastic Wand

A lightweight option if the weight of your vacuum is an issue.

11. Deluxe Combination Floor Tool

Switches easily from carpets to hard floors. Designed for maximum suction.

12. Wheel Brush

A luxurious brush designed to gently sweep your timber, vinyl and tile floors.

29. On-board Tool Caddy

Clip onto your wand and take a selection of tools with you around the house for extra convenience.

30. Hose Joiner and Hose Slip Coupling

A permanent joiner for two pieces of hose, or to join hose to cuff.

31. Kiwivac Inlets

Durable plastic and available in a range of colours.

32. Compact Inlets

Low profile design available in a range of colours.

13. Low-profile Nozzle

Extra low to reach under furniture. With built-in wheels and a pivoting nozzle for easy use.

14. Wheeled Combo

Glides across your carpets and hard floors with a built-in wheel.

15. Axis Floor Brush

Swivels and cleans hard floors at 90° angles and in spaces as narrow as 127mm.

16. Deluxe Turbo Brush

This dual action tool sweeps up animal fur whilst lifting dirt and dust from carpets.

33. VacPan

Sweep mess to the unit, flick the switch and the mess is gone. Most common in kitchens.

34. VacuValve

Replacement inlet, available in white and brushed aluminium.

35. Oval Door Inlet

Replacement inlet, available in white.

36. Utility Outlet

Can be attached to the pipework of your machine.

17. Glider Set

Two extra wide heads for synthetic carpet and hard floors. Click on/off the smaller neck piece.

18. Manta

Polishes timber and tile floors while you vacuum. The fibre mat removes for easy washing.

19. Crumb Snatcher Turbo Brush

Cleans furniture and stairs with a dual suction and sweep motion.

20. Crevice Tool

Perfect for getting in difficult spaces such as window sills, door frames and around furniture.

37. Muffler

Reduces sound levels from the power unit.

38. Kiwivac Filter Bags

Our high-quality, double-layered bags are the first filter of the Kiwivac triple filtration system.
* These official bags must be used, otherwise the warranty of your machine can be void.

We also stock a wide range of bags to fit other central vacuum models that take bags.
